Dear Arbor Parents and Friends,

January 23, 2017

This year Career Day will be held on Thursday, March 23, from 9:00am-11:00am. We are looking for people in various professions to share their careers with our students and help make this a memorable learning experience. This involves speaking with one classroom at a time for 25 minutes, with the total classes visited by each speaker being 3 or 4.

Please encourage any friends or family members who may be interested in talking to the students about their career to contact us as well. Our students look forward to Career Day every year and it is your generous participation that makes it possible.

If you would like to share your profession with our students, please complete and return the form below by March 17, and I will contact you with further details.

Thank you!

Sincerely yours,

Robyn Rosenthal (732) 752-8652 X 5556
