

Arbor PTO Membership Form 2017-2018

What is the PTO?

The Arbor PTO raises money for school resources and events, including technology, books and supplies, student enrichment programs and assemblies, class trips, and many other functions!

Why Get Involved with the Arbor PTO?

- **Get Connected:** There's no better way to know what's happening in your school.
- **Impact Positive Change:** Your involvement with the PTO means you're a part of the solution that implements positive programs and changes within our school community.
- **Be a Role Model:** By becoming a PTO member, you'll be demonstrating to your child the importance you place on education.

Volunteer Opportunities

Throughout the school year, there are many opportunities for parents/guardians and teachers to participate in special events. While volunteering is not required of PTO members, your help has a positive impact for you, your child, and the school!

PTO Meetings

PTO members do not have to attend every meeting. You are more than welcome to email or call in your suggestions and/input. Meetings begin at 6:30, and will be held on the following dates for the 2017/2018 school year: October 11, December 13, March 21, May 16, and June 6.
