

Arbor Investi-Gator Scavenger Hunt

Beginning on January 11, your mission as Investi-Gators, should you choose to accept, is to figure out a location based on a series of clues and take a selfie of you (and your family if you choose), in front of that location. Each week you can expect three clues provided in various ways.

Clue #1- will be sent during the Sunday Night Principal's Phone call.

Clue #2- will be posted on Tuesday of each week in the Golden Gator Schoology Page

Clue #3- will be posted on the marquee in front of the school as well as the Schoology Page

Scavenger Hunt Rules:

- When at all possible, students should go to a location **with an adult present**. Safety is a priority and adults are encouraged to participate with their children. We love to see our families having fun, so all family members should feel free to join in and take a selfie of everyone!
- The location must be clear in the picture. Be aware that some places may be open and operational, so employees should not be disturbed. Pictures should be taken outside.
- This event has been designed with social distancing in mind and students should participate with their own household only.
- There will be an assignment created in Schoology for each of the 8 weeks this will go on. Once you think you've cracked each case, upload a picture of you and your family to the Golden Gator Schoology page assignment for that week. No pictures will be posted publicly unless permission is granted from parents of the students in the photo. When a student submits a photo as the assignment in Schoology, it can only be seen by school staff.
- We will put all of the people's names that correctly submit the assignment by **Friday at 12PM** in a hat and randomly select a winner that will be announced in the following week's Sunday Night Call. The winner will receive a \$25 Amazon gift card that will be emailed home compliments of the PTO. Let's have some fun while exploring our town!
- This event is optional and families are under no obligation to participate, but we hope you will join us for some socially distance fun!
